

census 2021

Shape the future of where you live.

Give your community a voice.

Or maybe

Save for your gap year.

Treat yourself to a well-earned getaway or prepare for a little one on the way.

With temporary and local jobs that work around you, Census 2021 will help the government plan for the future and make the UK a great place to live, work and prosper.

All with a knock on the door.

It's the people that make the census.
